

# Checking into a better electronic access control system?

- ✓ Secure
- ✓ Accessible
- ✓ Easy
- ✓ Affordable
- ✓ Compatible
- ✓ Flexible
- ✓ Intelligent

Unique features put Aperio™ Wireless Technology at the top of the list.

**ASSA ABLOY**

Add Electronic Access Control to your existing mechanical locking system with Aperio Wireless Technology:

**SEAMLESS INTEGRATION**

Works with your new or existing system by wirelessly linking locks to a remote hub

**EASY TO MANAGE**

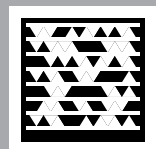

Provides real-time monitoring and communication, allows for instant employee updates and ends the "key-hassle"

**COST EFFECTIVE**

Eliminates the need to wire any doors or invest in new infrastructure
