RAISE A GLASS TO MCGUIGGAN'S PUB & BUSINESS INTEREST CHECKING!

Owned and managed by Whitman local Richard Rosen and his daughter Danielle, it's the one and only Irish sports pub in the area – located in a totally remodeled 19th century building in the heart of Whitman's downtown area. Whether you're looking to have a relaxing dinner with the family or catch the game on one of eight flat screen TVs at the bar, you'll find a great time at McGuiggan's. But don't take our word for it; Richard says, "It's pretty spectacular. I always dreamed of opening my own restaurant in my hometown, and with a lot of hard work and planning, a little luck, and a Business Interest Checking account from Mutual Bank, it became a reality."
